

Dear Teacher,

Congratulations! Your principal has enrolled your elementary school's fifth grade classes to participate in the STARBASE Hill STEM education program at Hill Air Force Base for the up-coming school year. You are your campus teacher Point of Contact (POC). **Please make sure all 5th grade teachers get these forms from our website: [www.starbasehill.org](http://www.starbasehill.org).** (It has all the forms needed to be signed and returned at orientation). The Parent Packet will be sent at a later date.

Our Vision is *"To raise the interest and improve the knowledge and skills of at-risk youth in science, technology, engineering, and mathematics, which will provide for a highly educated and skilled American workforce who can meet the advanced technological requirements of the Department of Defense."* Your students will experience an exciting five days of project-based instruction to actively engage them in the exploration of STEM content. Our goal is to excite the student's interest and encourage them to pursue STEM related careers. Highlights include:

- Research-driven curriculum and cutting-edge technology
- Innovative instructional model based on current research
- Proven track record of increased post-test scores
- Foundational scientific literacy achieved through hands-on inquiry, higher order thinking and problem solving

STARBASE coordinates paperwork and logistics for your staff. Please remember:

- Davis District provides the transportation. The driver will be picking up your classes at approximately 9:00 AM. I understand the morning start can be crazy, but please do your best to be outside waiting. **We are on a very tight schedule.**
- Private and Charter schools must arrange a bus to bring you to STARBASE Hill. Arrival time is 9:15 am and dismissal is 2:30 pm.
- All students and teachers/aids must be on the bus to come to STARBASE.
- Your schools individual scheduled days will be sent to your principal when they sign up to attend STARBASE Hill. **Please make sure the days scheduled and graduation time** will work for your school due to space requirements.

**Partnership requirements: Read all forms in this packet.**

**At orientation:**

- Return Teacher Guideline form signed and completed
- Return student demographic form
- Return signed student permission forms
- STARBASE Hill Release and Indemnification form (for you) signed and completed

**To finalize student enrollment:**

- Electronically attach to email, the completed Student Roster EXCEL form to [StarbaseHillOM@gmail.com](mailto:StarbaseHillOM@gmail.com), **no later than 2 weeks prior to your class attending STARBASE Hill** or have it your students' orientation date. If students join your class after that point, please add them to the bottom of the roster. Please call or email Mrs. Alise Denning to have her add the student to your roster copy at STARBASE Hill.

**Before your class attends STARBASE Hill:**

- Plan in advance, for your class to attend all five days of the student academy.
- Have an orientation of expectations at STARBASE Hill with your students. (see attached form)
  - Assure students arrive on time. Unfortunately, the bus cannot wait for students late to school.

### During your class attendance at STARBASE Hill

- **You are a vital part of our instruction team.** Actively monitor student academic engagement and classroom behavior. Actively assist students in completing STARBASE activities and lessons.
- Classroom management. You are responsible for individual student discipline during class. Please see the Discipline Management Guidelines in the teacher packet.
- Dedicate class time for completing off-site follow-on assignments to better embed the subject matter presented at STARBASE Hill.

### Graduation:

- Follow guidelines (attached) for preparing for the ceremony at your school.

**Teacher orientation:** Complete the online orientation at [www.starbasehill.org](http://www.starbasehill.org), then submit completion form. Completion form is immediately below the orientation slide show.

We are looking forward to working with you to provide this valuable learning experience for your students. If you have any questions or concerns, please contact us at the STARBASE Hill office.

Sincerely,

Dave Amparan  
Director, STARBASE Hill  
(801) 586-7494  
[starbasehilldirector@gmail.com](mailto:starbasehilldirector@gmail.com)

Alise Denning  
Office Manager, STARBASE Hill

**801-586-7493**

## **TEACHER GUIDELINES**

The Teacher Guidelines are a set of policies and procedures that communicate our expectations in the classroom; all teachers participating in the STARBASE program are expected to follow these guidelines. Careful compliance ensures all participants get the very most out of their STARBASE experience.

1. Do an orientation with your class on STARBASE expectations. (see attached)
2. You are my STARBASE instructors' wingman. You are a very important member of our team. **We need you** active in all classes to help with the activities, engage students, and manage behavior. We depend on you to make sure this is a fun and great learning experience for your students.

3. **Behavior Management:**

These are the guidelines we follow at STARBASE Hill:

- Non-verbal cue
  - Gentle reminder
  - Conference privately with the student
  - Three-way conference with classroom teacher (you), STARBASE back-up teacher, and student
  - Temporarily remove student from the group or activity to an unused/private table **IN THE CLASSROOM**.
  - Four-way conference with the classroom teacher (you), STARBASE back-up teacher, student, and STARBASE Director
  - Removal from the STARBASE program (**last resort**); student may not return to STARBASE. This decision will be made by the STARBASE Director or STARBASE staff left in charge.
  - Please do not threaten to withhold STARBASE attendance privileges.
4. **Please be outside waiting for the bus.** We are on a very tight schedule. Some days the bus needs to pick up at 2 different locations. Schools coming from the far south have long travel times. We need to do everything in our power to get you to STARBASE between 9:10 and 9:30 AM.
  5. Teachers and assistants attending STARBASE need to remain with their class throughout the day to monitor behavior and assist with activities. Please let the back-up STARBASE teachers know if you need to leave the classroom. Please keep this to a minimum.
  6. Teachers and assistants attending STARBASE are expected to silence all cell phones while at STARBASE Hill; to include military tours. Please give the STARBASE office phone number, 586-7493, to your school secretary and principal. There will be a STARBASE staff member to answer phones and relay urgent messages. Please feel free to give this number to family members if you are expecting to be contacted for a personal reason.
  7. You must escort students to the water fountain and/or restroom on an as needed basis. Unfortunately, we have had runners on base and destruction of our property. If you know your student may present a challenge with this privilege, please escort them to these locations and let the backup STARBASE instructor know. Let the class know they may miss a fun activity due to their use of the restroom. Please check the restroom each day to ensure the students left it tidy and the toilets/urinals are flushed.

8. You are the lunch room monitor.
- Please no soda or colored drinks; we understand milk comes with the school lunch and that is fine.
  - Use the large black (has wheels) trash cans, ONLY, for lunch trash; please make sure there is a trash bag in it.
  - Please assign 2 students to take out the trash **at** the end of every lunch period to the dumpster.
  - The floors are spot swept or vacuumed.
  - Tables are wiped off and ready for the next class.
9. STARBASE Hill encourages teamwork and cooperation as well as personal accountability. We want to see **all** students and teachers contribute to their successes within the program. We provide collaborative experiences which encourage **all** students to develop their leadership potential.
10. STARBASE Hill classroom rules for student behavior are explained during their initial session. Please review the following rules with your students prior to attending:
- o Show respect to yourself, your classmates, your teacher, STARBASE instructors, bus drivers, and volunteers both community and military
  - o Show respect to the STARBASE building and all materials
  - o No gum or candy is allowed in STARBASE facilities or tour locations
  - o **D.T.U.I.** - **D**on't **T**ouch **U**nless **I**nvited the activity materials when in the classroom
11. Attendance and Completing the program
- New Students - If a new student joins your class, we would like for them to be able to attend. However, if he/she will not be there for at least 3 classes, they will not be able to graduate. If they choose not to attend, they are eligible to attend the summer camp in June.
  - Graduation - Students cannot graduate if they miss more than 2 days of STARBASE. Please make plans on how your school wishes to handle students that will not receive a graduation certificate; we normally present participation certificates in this situation.
12. **STARBASE Hill is an inclusive program.** We would like all students to participate, including special needs students. Please send an assistant if you have more than 2 special needs students. If you feel that STARBASE is not an appropriate experience for a student, please discuss it with your principal so that a decision to exclude a student from STARBASE is made prior to your class attending STARBASE Hill.
13. STARBASE does not allow the use of corporal punishment or negative reinforcement. Please don't withhold STARBASE participation as a consequence for non STARBASE related offenses at your school.

PLEASE SIGN BELOW to acknowledge that you have read and understand the teacher guidelines.

## **STARBASE Hill Orientation Points**

### **To Be Covered with Your Students Prior To Attendance At STARBASE**

1. What is STARBASE? All day long doing science, engineering, and technology activities. Have fun and ask questions to help you learn science, technology, engineering and math.
2. STARBASE Hill classroom rules.
  - Show respect to yourself, your classmates, your teacher, STARBASE instructors, bus drivers, and volunteers both community and military
  - Show respect to the STARBASE building and all materials
  - No gum or candy is allowed in STARBASE facilities or tour locations
  - D.T.U.I - Don't Touch Unless Invited the activity materials when in the classroom
  - At STARBASE, you are part of a team; you will be working with friends **and those you do not know very well**
3. STARBASE Hill is on Hill Air Force Base. It is a **secured** facility. Students **must** stay with their class or where an adult can see them.
4. Please **do not** bring any toys, trinkets, phones, etc., with you to STARBASE. All you need is you and your lunch. Anything taken at STARBASE will remain there and given to your teacher on the last day you attend.
5. Students and all adults attending STARBASE Hill **must be** on the bus.
6. DO NOT BE LATE FOR SCHOOL. The bus driver cannot wait for late students or classes.
7. Appropriate clothing:
  - Must be appropriate for school
  - Geocaching is outside, bring appropriate clothing for outside. (a jacket if the weather is chilly at all, boots if there is snow on the ground)
8. Bring a home lunch or your school will provide lunch. STARBASE Hill does not have vending machines, stores close by for food, or ways to heat up a meal. **Please bring water only.** The exception would be the milk from the school lunch.
9. Bring a bottle of water as you may bring this into the classrooms. We only have 1 water fountain. You may refill your bottle as needed.
10. Toilet breaks are before we start, during lunch, and before getting on the bus. If you have to go during class time, ask your teacher. You will miss that part of class.
11. There is a big graduation ceremony at your school after Day 5 with STARBASE. Your teacher will let you know when this will be scheduled. Please invite your families. You will get a graduation certificate that recognizes that you completed this work. (minimum 3 full days of instruction.)

ONE OF  
THE

**STARBASE STAFF 15 MINUTES BEFORE GRADUATION STARTS. OUR NEW LAPTOP DOES NOT HAVE A DISC DRIVE.**

## STARBASE Graduation Information

STARBASE staff will arrive approximately 30 minutes before the scheduled ceremony time to set up and take care of last-minute details. The program will last approximately one hour.

### **Week Prior: send information to STARBASE Hill (See attached Graduation Outline)**

- Ask if your principal will attend the ceremony and if they are going to speak
- Send list of students who will be doing:
  - Color guard (if you are not doing this just let us know)
  - Leading the Pledge of Allegiance
  - Student speakers and whose class they were in

### **Day of Graduation (See attached Graduation Layout)**

- **School Equipment needed for the ceremony**
  - Chairs arranged in the stage area for STARBASE staff, Principal, school faculty and student speakers
  - Enough chairs for students graduating and audience
  - United States Flag (visible during the ceremony)
  - Microphone for speakers
  - Set up a table/cart for **projector with audio capability**; HDMI cable to connect our computer to the projector
  - Extension cord when needed (to operate projector and computer)
  - Podium or music stand for graduation certificates and speakers
- **Students**
  - Color guard comes early to get directions and set up (when applicable)
  - Wear name tags and any incentive tags or awards they have earned
  - Students sit in alphabetical order **from left to right** (if looking at them from behind); they will leave their seats and circle behind the audience to line up on the right of the audience and stage
  - One student leads the Pledge of Allegiance at beginning of the ceremony
  - One student from each class gives a brief speech (no more than 2-3 minutes) about what they learned from participating in STARBASE
- **STARBASE**
  - Certificates for each student
  - Computer or portable hard drive containing Graduation video
  - Guest speaker

**SUMMARY OF AWARDS (**STARBASE Rep**):** \_\_\_\_\_

Dog tags and homework   Eggbert Award   Robotics award   Team Rocket   Fly on the Ceiling

**GRADUATION OF CLASSES (**STARBASE Rep** and Individual Class Teacher):**

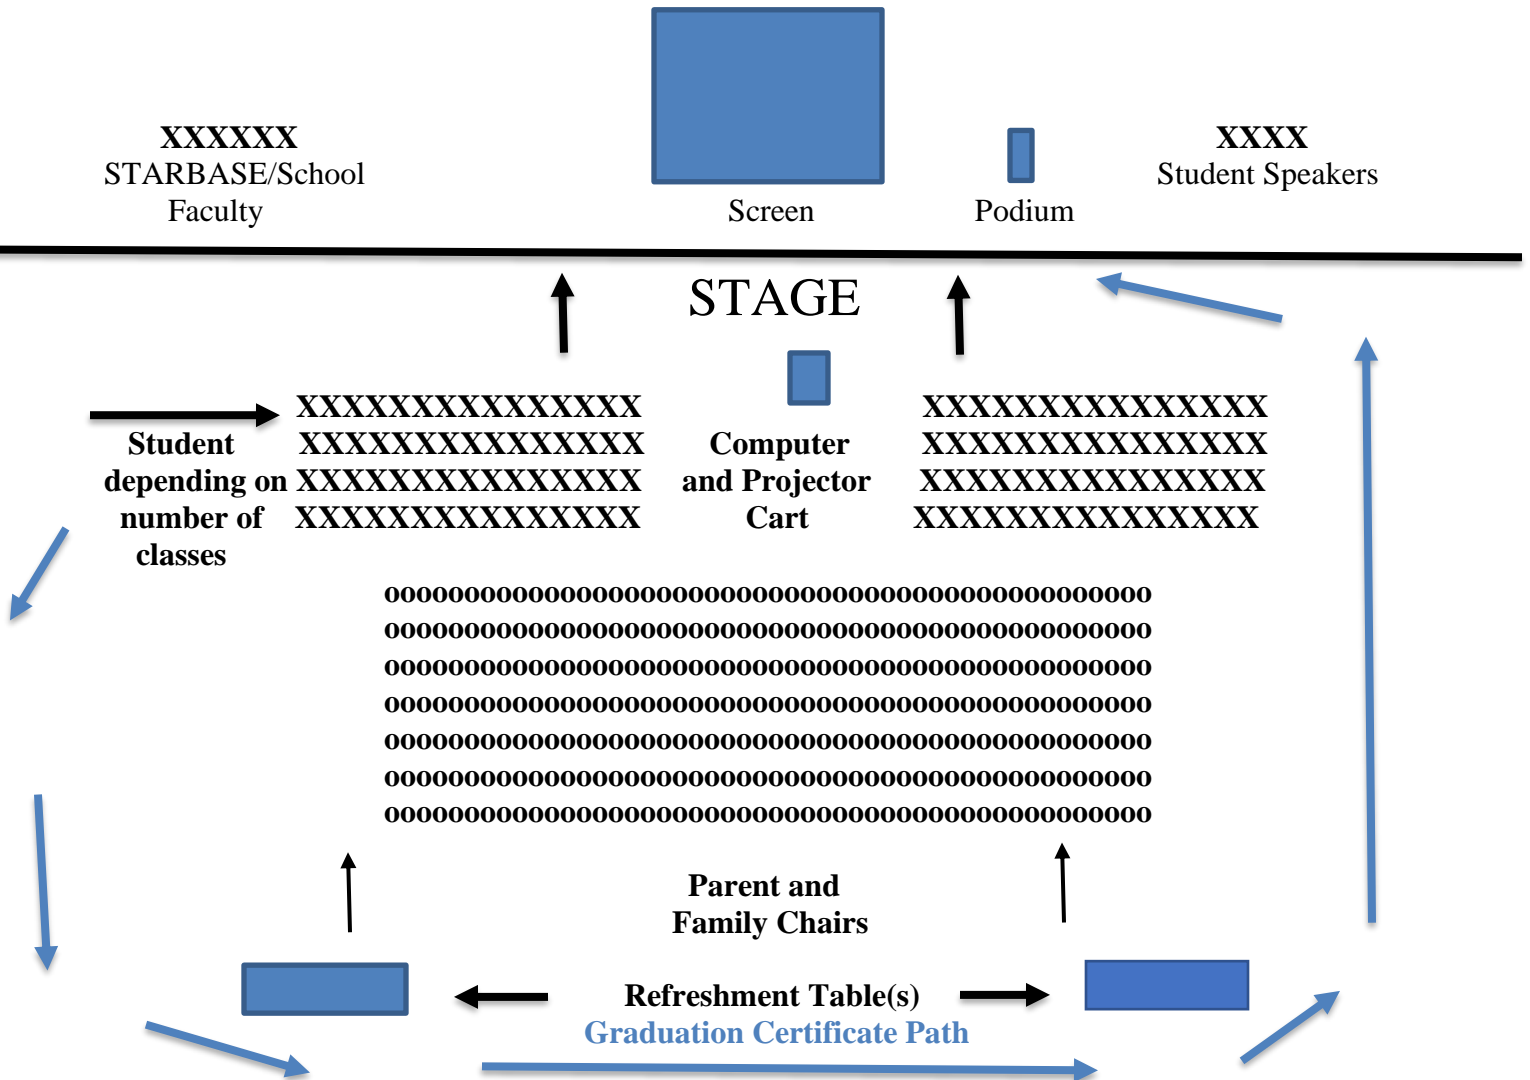

(remind audience and students to hold applause until the entire class has graduated)

**Introduction of Graduating Class (**STARBASE Rep**):** I would like to introduce to all parents, family and friends, the 20\_\_\_ STARBASE Hill graduating class from \_\_\_\_\_ Elementary.

- Have students thank parents, family and friends for their support

**THANK PRINCIPAL AND CLOSING REMARKS (**STARBASE Rep**):** \_\_\_\_\_

## Graduation Setup (Common)

- This is a typical setup inside of the cafeteria of the school. Of course, this can be altered if you have a different location and/or the number of students you have in the class(es).
- Please have your students sitting in alphabetical order. When it is time to receive their graduation certificate, they will depart from the left and wrap around the entire cafeteria. The students will come in from the right, as you look at the stage, then sit in reverse order coming back to the chairs from the stage.
- School teachers normally sit with their class on the far left end seat, or on the stage with the STARBASE/School Faculty.
