Hello from STARBASE Hill!

STARBASE Hill has an unwavering commitment to provide exciting Science, Technology, Engineering, and Mathematics (STEM) education for all who attend our program. Thank you for expressing your interest in attending our amazing program. We hope to serve your 5th grade classes with our discovery-based journey through the world of STEM. **STARBASE Hill does not provide transportation for any of the five days you would be joining us, please consider this when completing this form.** This form serves as the beginning of our scheduling process. Please fully complete the proceeding section:

Name of your school:		
Best Point of Contact for communications with STARBASE Hill:		
Name	Phone	Email
What is the date for your first day of school for the 2023-2024 school year?		
What part of the year would your school like to attend STARBASE Hill?		
This is not a guarantee. We will try to accommodate this time of the school year in our schedule for your school.		
Will your school be considered Title 1 for school year 2023-2024? Yes or No		
How many 5th grade classes do you anticipate having for school year 2023-2024?		
Approximately, how many total 5 th grade students in your 2023-2024 class?		
Have any of your 5th grade teachers been to STARBASE Hill? Yes or No		
What day of the week is your early out day?		
Approximately how much time would it take your bus to get to Hill Air Force Base?		
Do you have an estimated timeframe for next school year's conferences? Yes or No		
If so, when? Fall Conference:		
Winter Conference:		
These dates help us to schedule your school around potential conflicts with early out days.		
Position of Individual Completing Document	Printed Name	Signature

Once completed, please scan this document and send to Starbasehilldirector@gmail.com or Starbasehillom@gmail.com. Upon receipt of all forms, We will immediately begin composing next school year's schedule. **If your school is scheduled, a Welcome Letter will be sent to your school in mid-May.** We hope to bring the mystery and enthusiasm of STEM into your students' lives through our hands-on, mind-on academic approach.

Very Respectfully,

David M. Amparan (Batman)
 Director, STARBASE Hill

"Sciences provide an understanding of a universal experience, Arts are a universal understanding of a personal experience... they are both a part of us and a manifestation of the same thing... the arts and sciences are avatars of human creativity..."

-Mae Jemison
